

Product Information

Food approval declaration for Akucell[®] Cellulose Gum

To whom it may concern

Akucell[®] Cellulose Gum grades meet the purity criteria for use in food products set forth by the Food and Agricultural Organization of the World Health Organization (FAO/WHO), by the Scientific Committee for Food of the EU and by the Food Chemicals Codex of USA. Our grades also meet the JECFA standards

The joint FAO/WHO expert committee on food additives and the Scientific Committee for food of the EU have allocated an acceptable daily intake (ADI) of *unspecified* to CMC, which means that the product is *quantum satis* applicable.

The European Commission has assigned the number E466 to CMC to designate its food approval status, including processed meat, in the European Community as the result of extensive toxicological and biological studies.

Yours sincerely,

Akzo Nobel Chemicals AG
